

Since 1917, the Cribari family has been recognized as a leader in providing sacramental wines to the revered clergy. These wines have enjoyed continuous ecclesiastical approbation by the Bishops of Fresno, California and the Archdiocese of Los Angeles. All prepared in accordance with Canon Law.

Cribari quality reserve wines have all the proper characteristics for the high purpose for which they are intended. The Cribari family's four generations of experience enable it to recommend these superior altar wines without qualification.
